

The Ferndale Heritage Society

Membership Information

The Ferndale Heritage Society, a non-profit charitable organization, was established in March 1993 by concerned citizens and volunteers seeking to preserve Pioneer Park and the cabins.

Goals:

- To improve the cabins, maintain them and enhance the interiors.
- To improve displays, properly label antiques, old photographs and books.
- To create educational programs, workshops and working exhibits involving schools, tour groups and general tourism.
- To improve the park's general appearance: grounds, benches, play areas, flowers and signage.
- To costume for tours and vintage fashion shows.
- To provide a regular source of financial support through membership.
- To bring together people who are interested in the community and Pioneer Park.
- To work and play collectively to explore the past and improve the future of Whatcom County's history.

All ages are welcome – join us!

Meetings are held the last Tuesday of each month, 7:00 pm in the Tillicum House at Pioneer Park.

Committees
